DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 17-23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The terms "tracking device" (claim 17, line 8; and claim 22, line 2), and "contacts" (claim 17, line 10) lack sufficient antecedent bases.

Appropriate correction is required.

Allowable Subject Matter

Claims 17-23 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action. Refer to Office action dated 8 January 2007 for the statement of reasons for the indication of allowable subject matter.
